Work Experience

Posa-Cut Corporation

🌐 www.posacut.com

May 2024 – August 2025

Farmington, Michigan

Working at Posa-Cut allowed me to exercise a variety of skills:

- Utilizing skills to design tools, inserts, and holders for customer needs.
- Understanding the engineering process from design to manufacture.
- Working with others to complete tasks and assure quality.

Education

Michigan Technological University

🌐 www.mtu.edu

August 2025 – Present

Houghton, Michigan

Currently attending Michigan Technological University in pursuit of a bachelors degree in Electrical Engineering.

Oakland Accelerated College Experience

🌐 www.oaklandace.org

January 2023 – May 2025

Oakland County, Michigan

Currently enrolled in a three-year early-college program at Oakland Community College that provides valuable experience and knowledge towards educational and career-oriented skills such as persistence, planning, and a strong work ethic.

Oakland Schools Technical Campus Southwest

🌐 www.ostconline.com

September 2022 – May 2025

Wixom, Michigan

Attended one semester at a technical school that employed a tactile approach to instruction in conjunction with supplying a wide array of lessons regarding various processes, methods, and technologies that translate to increased capabilities within the work environment.

South Lyon East High School

🌐 www.slcs.us

September 2020 – May 2025

South Lyon, Michigan
